

NUVUS PRIVACY POLICY

Last updated: January 23, 2018

At Nuvus and at each of our affiliates (collectively, "Nuvus"), we are committed to maintaining the accuracy, confidentiality and security of your personal information. We take all reasonable steps to ensure that this information is safe and secure, including putting in place rigorous policies and procedures to fully comply with all privacy laws and regulations. Nuvus's privacy policy may be updated in the future if there are any changes to the regulatory framework.

We ask you to read carefully this Privacy Policy (" **Policy** "), which governs how Nuvus.io, a company registered in Estonia (EST) (" **Company** ", " **we** "), collects, uses and discloses the information, when you access or use the website <https://www.nuvus.io> (collectively with all of its subdomains and all their respective pages, the " **Website** "), the online services at the Website (" **Services** "), or when you otherwise interact with us.

This Policy is an integral part of the Terms of Use of the Website.

1. DEFINITIONS

In addition to the definitions contained elsewhere in the text of this Policy, the following terms and expressions shall have the meaning ascribed to them here below:

" **Company Parties** " means Company and its respective past, present and future employees, officers, directors, contractors, consultants, attorneys, accountants, financial advisors, equity holders, suppliers, vendors, service providers, parent companies, subsidiaries, affiliates, agents, representatives, predecessors, successors and assigns.

" **Company Party** " means one of the foregoing, as the case may be.

" **Data** " means the information that is collected in relation to your use of the Website and the Services.

" **Terms of Use of the Website** " means the document describing the terms of use of the Website available on the Website (as may be amended from time to time).

" **User Account** " means an account which may be provided to you by Company for the purpose of improving your experience at the Website and use of the Services, as well as obtaining access to specific additional other products, utilities and offerings provided by Company Parties.

2. APPLICABILITY AND ACCEPTANCE OF POLICY

This Policy describes the Data, explains how Data is used and instances when Company shares or permits collection of the Data by the Company Parties or state authorities. This Policy shall enter into force as of the moment you first access the Website or commence use of any of the Services. By accessing, browsing or using the Website and/or any of the Services you irrevocably and unconditionally accept and adhere to provisions of this Policy without any exemptions, limitations, and exclusions. If you access the Website or use any of the Services on behalf of a business (whether registered or operating without registration), that business hereby accepts this Policy. In the event you disagree with any provision of this Policy or would not like to provide your consent for collection of Data, you shall cease using the Website or any of the Services immediately. All customers and token holders of Nuvus and its subsidiaries, affiliates or associated companies.

3. WHY DO WE COLLECT PERSONAL INFORMATION?

Nuvus collects Personal Information to enable us to manage, maintain, and develop our operations, including for example:

- ❖ to establish, maintain and manage our relationship with you so that we may provide you with, or receive from you, the products and services that have been requested;
- ❖ to be able to review the products and services that we provide to you so that we may understand your requirements for our products and services and so that we may work to improve our products and services;
- ❖ to be able to review the products and services that we obtain from you so that we may work with you and so that you may understand our requirements for such products and services;
- ❖ to be able to comply with your requests (for example, if you prefer to be contacted at a business or residential telephone number and advise us of your preference, we will use this information to contact you at that number);
- ❖ to enable us to undertake our environmental, health and safety activities, including incident planning, response and investigation;
- ❖ to protect us against error, fraud, theft and damage to our goods and property;
- ❖ to enable us to comply with applicable law or regulatory process (for example, we may collect Personal Information to satisfy the obligations imposed on us by our various regulators including AML/KYC regulations);
- ❖ for the purposes stated in this Privacy Policy; and
- ❖ any other reasonable purpose to which you consent.

4. COLLECTION OF DATA - Data You Provide to Us

In order to perform the Services and the functionality of the Website, we are entitled to ask you to provide Company Parties with your personal identification information, including but not limited to your name, e-mail address, mailing address, phone number, date of birth, a scanned copy of a valid government-issued passport or ID number, information about the used cryptocurrency addresses. Company Parties may collect from you, use and disclose your personal identification information only if you voluntarily provide such information to them. By transferring to a Company Party the Data set out in Article 3.1 via the Website or otherwise, you irrevocably and unconditionally entitle Company Parties to collect, use and disclose such Data in accordance with this Policy. Without prejudice to the provisions set out in the Terms of Use of the Website, in the case you do not provide Company Parties with the Data set out in Article or provide them with inaccurate, misleading or incomplete Data, Company Parties at their sole discretion shall be entitled, without any notice to you, to:

- ❖ impose limitations and restrictions on your use of the Website and/or the Services;
- ❖ and/or suspend or terminate your access to the Website, your User Account or the Services.

Data We Collect Automatically

- ❖ Company Parties may collect the Data from you in a variety of ways and circumstances.
- ❖ Company Parties shall be entitled to combine Data collected in the course of your interaction with different sections of the Website or the Services with any other relevant available information.
- ❖ Data collected by or transmitted to Company Parties, in the course of accessing, interaction and operation of the Website and provision of the Services may include, without limitation, the following Data:
- ❖ Internet Protocol (IP) address and location; cookie information; browser identification information; information on the computer or mobile device you use to access the Website and the Services, including the hardware model, operating system and version, your web browser, and device identifiers (including a network ID used to communicate with other nodes on the platform); information contained in or relating to any communication that you send to us or send through the Website, and metadata associated with the communication; date and time of accessing the Website and the Services; information of third parties websites referred the Website or the Services; information related to your activity in the course of the Services use, including, without limitation, search queries history, search results provided to you in response to your query, web pages you visited by reference from the search results;
- ❖ You may always refuse to supply Data, though this may prevent you from engaging in certain

- ❖ Website-related activities.
- ❖ Data collected hereunder in the course of operation of the Website and provision of the Services may differ depending on whether you access the Website and the Services logged in to your User Account or without logging in.
- ❖ Unless you are logged in to your User Account Data about you, such as e-mail address, name, mailing address, telephone number, is not collected when you access the Website or the Services. In the event you access the Website or the Services logged in to your User Account, Company Parties shall be entitled to associate the respective Data with your User Account and you hereby provide your express and unconditional consent to Company Parties for the association of the Data with your User Account.

Data We Collect from Other Sources

- ❖ We may also receive information about you from other sources, such as when logging into your User Account by using your account credentials for a separate third-party service. We will receive information from that service as indicated in the relevant third party's authorization screen.

5. USE OF DATA

- ❖ Company Parties collect the Data as part of the operation of the Website and the Services, including, but not limited to, for the following purposes : administration and development of the Website and the Services; enhancement of user experience, including the provision of personalized Services and improvement of the Website and the Services; development of new products, utilities, and offerings; detection, investigation, and prevention of fraudulent transactions and other illegal activities and protection of your rights and rights of Company Parties; collection, processing and performing statistical and other research and analysis of information for enhancement of the Website and the Services; communication with you about products, services, promotions, events and other news and information we think will be of interest to you; and verifying compliance with the Terms of Use of the Website.
- ❖ You hereby acknowledge and agree that Company Parties shall be entitled to use cookies and web beacons (pixel tags) to collect the Data and associate the Data with your computer and web browser, as well as, in the event you access the Website and/or the Services logged in to your User Account, with your User Account.

6. PROTECTION OF DATA

- ❖ We take appropriate security, administrative, and technical measures to protect any personal identification information you provide regarding the collection, storage, and processing, as well as security measures to protect your User Account against unauthorized access, modification, disclosure or destruction of your personal identification information.
- ❖ The transmission of data or information (including communications by e-mail) over the Internet or other publicly accessible networks is not one hundred percent secure. Company Parties are not liable for the security of any data you are transmitting over the Internet, or third-party content.
- ❖ Any transactions on the blockchain network are public and Company Parties cannot exclude transaction data from the blockchain.

7. DISCLOSURE OF INFORMATION

- ❖ You hereby acknowledge and agree that the Company Parties shall be entitled to collect, store, disclose, share and transfer, including cross-border, Data collected from your use of the Website and the Services.
- ❖ We may disclose the Data, including personal identification information in the following cases: you've consented or otherwise given us permission to share; with service providers that perform work for us (such as hosting providers, identity verification, support, payment, and email service providers); when you use interactive areas of the Services, like our blog or other online forums, certain information you choose to share may be displayed publicly, such as your username,

actions you take and any content you post; in response to a request for information if we believe disclosure is in accordance with, or required by, any applicable law, regulation or legal process; if we believe your actions are inconsistent with our user agreements or policies, or to protect the rights, property, and safety of Company Parties or others; in connection with, or during negotiations of, any merger, sale of company assets, financing or acquisition of all or a portion of our business by another company; and between and among Company Parties.

- ❖ Company Parties may without limitations share aggregated or de-identified information, which cannot reasonably be used to identify you.

8. RETAINING OF INFORMATION

- ❖ In accordance with applicable laws and as needed to provide the Services to our users,
- ❖ Company Parties may hold your Data. This requirement is conditioned by the need of complying with legal obligations and resolving possible disputes.
- ❖ Company Parties may retain your Data so long as your User Account is active. Moreover, your Data may be held beyond the above mentioned period till it is indispensable for Company Parties to have relevant information to respond to any issues that may arise later.

9. ALTERATIONS TO PRIVACY POLICY

- ❖ We have the right, at our discretion, to update this Policy at any time. We recommend that you frequently check this Policy to find any changes and stay informed about how we help protect the Data.
- ❖ By using the Website, you acknowledge and agree that it is your responsibility to periodically review this Policy and be aware of the changes.
- ❖ The subsequent use of the Website or the Services after changes to this Policy will also be considered as your acceptance of these changes.

10. FEEDBACK

- ❖ We welcome your questions and suggestions with respect to the implementation or amendment of this Policy. Please use this feedback for communicating with us: tokensale@nuvus.io
- ❖ Nuvus oversees personal information handling practices. If your privacy concerns are not addressed to your satisfaction by Nuvus you may contact the office the government body responsible for personal information in your jurisdiction for further guidance.
