

Nuvus IO Bounty Program

Goals:

- Blogging about Nuvus IO
- Promoting Nuvus IO in your Facebook group, LinkedIn group, or any other social media outlet with a large outreach
- YouTube video creation and editing with 30% of the allocation (0.105% of the raised tokens will be reserved for invite-only VIP content creators)
- Bitcointalk- ranking of participants who use the signature created for Nuvus IO will get stakes. This is for at least JR members only.

Stakes earned depending on quality (decided by Nuvus IO after review):

Rejected: 0 GETX

Low: 1 GETX

Medium: 2 GETX

High: 3 GETX (per post/video)

Reposting on another (relevant) site will earn an extra 50% of GETX (one repost per article allowed)

Application: Please send an email to ico@nuvus.io that contains your profile name, the place where you intend your content, and language if different from English. After finishing your article, video, or post please paste the link in the discussion and in the Bitcointalk bounty thread and submit it with this form:

Rules: The blog or post must be focused on a relevant topic (at the sole discretion of Nuvus IO). Blog posts must have at least 250 words and forum posts must have at least 100 words. Blogs, forum posts, and videos in languages other than English may also be accepted at the sole discretion of Nuvus IO.

Please email first to ensure it will be approved. Videos have to be meaningful and content related to Nuvus IO: the token sale, aspects of the Whitepaper, related technology, etc. Videos or articles with fake views will be disqualified. Only original content will be accepted. Spamming or posting in wrong subforums will be not tolerated. Posts deleted or closed by the forum's administration will not count.

Social Media: Please open a SINGLE post for both Twitter and Facebook if you plan to join both campaigns, and submit all your information in THE SAME form, as this will make our counting work a lot easier. Twitter tokens will be paid depending on followers (at the start of the campaign).

250-749 followers: 1 GETX per retweet

750-1499 followers: 2 GETX per retweet

1500-9999 followers: 4 GETX per retweet

10.000+ followers: 5 GETX per retweet

Minimum 3 retweets per week Maximum 4 retweets per day, and 20 retweets per week

Staking and rewards: Your final reward after the end of the sale will depend on the amount raised and your contribution to the bounty program. The total allocation will be divided according to the allocation of every part and this amount will be then divided by the total number of tokens issued to the participants. This way, the value of each bounty token will only be known after the end of the token sale.
